NEWMAN CLUB PRAYER

Lord, we pray
for all Newman members:
past, present and future,
that You may always be
our constant Companion,
that we may never stray
from the path of faith
and that we may always be blessed
by a welcoming Christian
Community wherever we may be.

Lord, we ask You to guide
those who are searching for You
by using as Your channels
our hearts, hands and lips.

Bless
the activities,
discussions,
social events
and friendships
of our club,
and after our studies,
may we use our gifts
and continue to be
ambassadors of Christ.

What is the Newman Club?

The Newman Club is a student-run, ecumenical organization designed to promote Catholic Christian ideals. It extends to the University community through religious, educational, service and social activities, helping students to understand the reality of their faith in modern society. The Club is strongly associated with Our Lady of Lourdes Roman Catholic Church and Newman Center.

What would I do as a member?

As a member of the Newman Club, you would be given the opportunity to explore your faith in a new and exciting way! Our **RELIGIOUS** commitments include arranging carpools to Our Lady of Lourdes, serving as lay ministers in the parish, teaching the community and each other more about Catholicism, and coordinating the bi-monthly Masses held on campus. **EDUCATIONAL** opportunities include hosting and attending retreats and on-campus forums and faith seminars. Outreach **SERVICE** programs include visiting shut-ins and several clothing and food drives. Lastly, **SOCIAL** activities include dinners with the Club, and various activities at monthly meetings!

How often does the Club meet?

The Newman Club meets monthly, with other special events scheduled frequently. Consult The Calendar of Events on our website (<http://www.oll-ada.com>) for date, time and place.
